

Ezekiel Thirty-nine

To begin, this study is actually a continuation of the Thirty-eighth chapter of Ezekiel. It concerns the time wherein the LORD'S People are flourishing in their communities, and, of their own, producing all of their needs. We will have cattle, crops, equipment and will be totally self-sufficient. Together all of Israel will work harmoniously to build our own homes, build our own schools, make our own roads, etc., and we will not be depending on this world for anything. Surely this will make quite an impression, as Israel will number 200,000,000. Moreover, we will not be paying taxes of any kind to the system as they will be rendering us no services. This is more than the devil's beastly organization can stand, and they will endeavor to make a profit off of us. This single move alone will prove to be fatal. Not only will the organization split in two, as a violent argument erupts over just how to handle us (Russia will want to maintain control and have us work for her, while the U.S. will be satisfied with the pecuniary gain that taxation would afford her), but she will also lose nearly one-third of her constituents when the people of goodwill see her for the truly selfish arrogant organization that she is. These regular ones wake up when they see the blatant injustices being exercised upon Israel and they will join with us. The remainder of the earth's population will be left to their own devices and will annihilate each other in the final war.

Verse 1:

Therefore, thou son of man, prophesy against Gog, and say, Thus saith the Lord GOD: Behold, I [am] against thee, O Gog, the chief prince of Meshech and Tubal:

The translators of *The Authorized Version* left out a key word when translating this verse. So I'll read from one of the translations that have it correct. *The James Moffatt Translation* brings out

Son of man, prophesy against Gog tell him this from the LORD, the Eternal; I am against you, Gog, prince of Rosh, Meshech and Tubal.

Somehow some of the translators have substituted the word *chief* for the word *rosh* because rosh is the chief one. But the better translations state "*prince of rosh, meshech and tubal [thoo-vawl].*"

This is important because a message is given through the understanding of the meanings of the names gog, rosh, meshech and tubal.

I handed out sheets to show the actual Hebrew for this portion of verse one.

ותבל thoo-vawl veh [and]	משך me-shech	ראש rosh	נשיא ne-see-yah [prince]	גוג gog
--------------------------------	-----------------	-------------	--------------------------------	------------

gog is actually the devil because the name gog means "roof, top or covering." In Ezekiel Twenty-eight, verse 14, YAHWEH says concerning satan:

Thou art the anointed cherub that covereth; and I have set thee so: thou wast upon the holy mountain of God; thou hast walked up and down in the midst of the stones of fire.

So satan, or lucifer was given the position as man's protector (the covering cherub) and was set over man to guide him the ways of GODliness. Thus he fulfills the name "gog."

satan also made the claim that he would make himself like the Most High in Isaiah 14. He endows himself with a position far above that which any creature would ever begin to conjure in his wildest imagination. he puts himself in the place of YAHWEH. And once his selfish, rebellious and brazenly arrogant nature was made manifest, he began on his campaign to gain a following and subdue the nations.

rosh means "head, top or beginning." He was the very first one that satan influenced, or the beginning of satan's organization—satan's right hand man (demon) so to speak. So in the beginning satan was alone and then he began to recruit others who possessed his same miserable characteristics,

Ezekiel Thirty-nine

and rosh was the first of many angels to reject YAHWEH.

Now satan being a mimic god permeates his entire organization after YAHWEH'S. In satan's organization, rosh holds an office, or has the position, that is parallel to that of Yahshua (and the 144,000 who make up His Body) in YAHWEH'S organization.

meshach means "who was drawn out by force." Now the devil being the greatest salesman, or con-artist of all time was able to lure or entice one-third of the Heavenly Hosts to follow him. This persuasive power draws out the angels who were not completely righteous. These had access to YAHWEH'S Heavenly Organization and actually walked with Yahshua yet sided with satan against YAHWEH. For this reason, these angels cannot be considered deceived; they made a knowledgeable choice. They were, more correctly, seduced and proceeded to corrupt themselves even as satan had corrupted himself. These just needed a little push, the suggestion of rebellion, to bring to fore their selfish nature. satan's inclinations appealed to them and they were ready to become an authority of their own. meshach represents the demons, and their position is parallel to that of the Angels in YAHWEH'S Organization.

tubal means "the earth, the world that is carried or led." So now we have the entire organization, heavenly and earthly. This prophecy is directed against gog, the devil, and he is the prince of rosh, meshach and tubal. He is the top of his entire organization which began in the Heavens and reaches to the earth. In 2 Corinthians 4:4 it brings out that he is the god of this world:

In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them.

And Revelation 12:9 states:

And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: He was cast out into the earth, and his angels were cast out with him.

Also 1 John 5:19, R.S.V.:

We know that we are of God, and the whole world is in the power of the evil one.

Those in control of this world are agents of devil and are employed by him to subdue the masses of humanity. These are the politicians, big businessmen and religionists, each being an offshoot of their father, well-skilled in his wily devices. Under the guise of being warm and friendly, they are in reality treacherous scheming vipers, embracing you only to suck your life's blood, all the time persuading you to believe that they are your benefactor.

The arrogant avaricious desires of the rulers of this world have caused nothing but rivalry and oppression and has left the poor of the earth unable to successfully defend themselves against the wheelings and dealings of the rich. It is a rich mans world and they are in control. They make the laws and they break them. And when they break them, they are excused. There is simply no justice whatsoever in this type of system and if you don't have what it takes to make it, you are looked down upon and taken advantage of by the wealthy business moguls. The honorable men who work hard to provide a home for their families are the poor fools who buy their inferior products and labor in their factories for pennies and who are dying because of their indifference: i.e. the unsafe working environment, provided by them for their employees, the chemical waste extruded from their plants that is polluting the air and water, their inadequate protection against fires, or radioactive leakage, the prodigious ravishing of the forest and other natural resources, etc. These also are the poor fools, who, in an effort to protect their own well-being, are forced to fork over a tremendous sum to insurance companies so in the event of illness or some other tragedy, they will not be left penniless. And when these folks are weary and sick and need to be appeased, they become the poor fools who, in the hope of a miraculous cure or in the hope of a better future, send their hard earned money to an evangelist who laughs all the way to the bank. This is the system we now live in under satan the devil; it will take you coming and going.

So YAHWEH is directing this message against the devil and his entire organization, heavenly and earthly. Tubal represents those in authority in satan's organization on earth, and their position parallels that of the position given to the Pharaoh in YAHWEH'S Organization.

Verse 2

And I will turn thee back, and leave but the sixth part of thee, and will cause thee to come up from the north parts, and will bring thee upon the mountains of Israel.

The translators have gone off when translating this verse. Since they are not directed by Yahweh, they more or less pick and choose the meaning that they feel is most appropriate. However, Yahweh doesn't leave a sixth part of anything. It isn't in harmony with any of the other prophecies. To clarify this Jeremiah looked into the original Hebrew and the meaning that should have been derived. I'll read this verse as clarified from the original Hebrew as translated by Jeremiah:

And I will inflame you, or entice you, or arouse your ambitious desire. And I will lead you on in your lofty pride from the remotest recesses of the north and cause you to trespass on the mountains of Israel.

Here Yahweh is going to lure satan into a trap. He knows satan's heart, his desires, and knows that satan will not be able to leave the Lord's People alone if they are prospering. At this time Israel will be blessed by Yahweh and we will be flourishing in our communities providing for ourselves, independent of satan's organization. We are not threatened by them nor looking to them for any of our needs and this doesn't sit right with those who want control. Israel will have an abundance of livestock and equipment, houses, schools, assembly halls, but we will not have an army or any way to defend ourselves. **This is more than satan can resist. It says that Yahweh will lead him in his lofty pride. This is his attitude and that of his comrades, even if they have everything—they have apparently conquered Israel and have control the whole system—they are still not satisfied; they want more. They cannot leave us alone. They silence us and now they want to take from us because we are doing so well. Israel being peaceful people, dwelling unarmed will leave satan licking his chops. His organization will boast how it is going to make a haul and really enrich themselves because of us. They are so proud of their position, and it prides them even more to be able to take from the Lord's People and try to crush us. They are evil. Ezekiel 38: 8-12 speaks of this assault:**

8 After many days thou shalt be visited: in the latter years thou shalt come into the land [that is] brought back from the sword, [and is] gathered out of many people, against the mountains of Israel, which have been always waste: but it is brought forth out of the nations, and they shall dwell safely all of them.

9 Thou shalt ascend and come like a storm, thou shalt be like a cloud to cover the land, thou, and all thy bands, and many people with thee.

10 Thus saith the Lord GOD; It shall also come to pass, [that] at the same time shall things come into thy mind, and thou shalt think an evil thought:

11 And thou shalt say, I will go up to the land of unwalled villages; I will go to them that are at rest, that dwell safely, all of them dwelling without walls, and having neither bars nor gates,

12 To take a spoil, and to take a prey; to turn thine hand upon the desolate places [that are now] inhabited, and upon the people [that are] gathered out of the nations, which have gotten cattle and goods, that dwell in the midst of the land.

They will come in force, soldiers bearing arms and it will look as if we are defeated. They will come in and take what they want and we won't be able to lift a finger to stop them (for one reason, we would be shot and also because we know that this is Yahweh's will). This will be a final test for Israel, having to just watch as they come into our land and begin to take what they want and being powerless to stop them. But Yahweh has prepared Israel thoroughly for this time and we know that it is going to happen beforehand. We are forewarned and must realize that Yahweh has not left us and that it is

Ezekiel Thirty-nine

actually His will that this takes place. Yahweh expects Israel to remain calm and not to resist or become despondent. We have His protection and needn't fear. Some may be shaken but the faithful will remain strong. We can take comfort in knowing that it is actually the attack on Israel that will cause repercussions in the world, wake up the people of good-will and bring about the complete collapse of satan's organization.

So Yahweh leads satan to us because He knows that this will be the end of him. It's a trap, and Israel is the spicy cheese that baits it.

Now it says that He calls him from the "remotest recesses of the north." North is the direction of authority. satan is coming from the far north, the farthest away, the very top of his organization. It's like trying to reach the president or the pope, you just can't call the white house or the vatican to see if Ronnie or el papa want to go a round of golf. So satan is the top dog, the remotest one in his organization.

"And cause you to trespass on the mountains of Israel!" Trespass means to cross a boundary line unlawfully, to intrude, to encroach, to violate moral law. When satan comes against the mountains of Israel or Yahweh's organization (mountain is a stronghold and represents an organization [Isaiah 2:3]), he is violating moral law by taking what we have and not having any right to it. This impudent action infuriates Yahweh as we see in Ezekiel 38:18:

And it shall come to pass at the same time when Gog shall come against the land of Israel, saith the Lord GOD, that my fury shall come up in my face.

When someone is very angry you can see it in his face. It becomes very red and the veins in the face and neck begin to bulge. Yahweh is pictured as being this angry, so angry that, if it were possible, you could see it in His face. satan has touched a nerve by openly attacking Yahweh's People and verse three happens"

And I will smite thy bow out of thy left hand, and will cause thine arrows to fall out of thy right hand.

When an archer loses his bow and arrows he is completely disarmed. This is all that Yahweh is going to tolerate from satan and when he makes this move against Israel it will be the straw that broke the camel's back you might say. Things will go from bad to worse for the devil's organization. As I had stated in the introduction, the nations will begin to argue about how to deal with us, and the people of goodwill will recognize the injustice of it all and begin to break away. This trouble on the home-front will leave satan unarmed as he will have to turn his attention to his own people and leave Israel alone.

Again Jeremiah reminds Israel that we should remain calm throughout satan's incursion because not long after it we will be leaving the communities ourselves to seek shelter in the mountains. When this occurs, the end is very near.

Verse 4:

Thou shalt fall upon the mountains of Israel, thou, and all thy bands, and the people that [is] with thee: I will give thee unto the ravenous birds of every sort, and [to] the beasts of the field to be devoured.

His falling upon the mountains of Israel doesn't necessarily mean that he is going to fall right in Israel, or where we are, but it means he is going to fall *because* of Israel. It will be the issue that he takes against Israel that will bring about his downfall.

Giving him to the ravenous birds and the beasts of the field shows that he and his cohorts are dead. They are laying on the ground as meat for these creatures. Jeremiah 25:33 states:

And the slain of the LORD shall be at that day from one end of the earth even unto the other end of the earth: they shall not be lamented, neither gathered, nor buried; they shall be dung upon the ground.

So they will lay there like a pile of manure. They will not be buried or lamented. They will not go down with dignity or respect as the rulers of today. Today when a world leaders, political or religious die, they die in glory and have lavish ceremonious burials with thousands mourning their loss, they are honored year after year, some even having a holiday named in recognition of them. The complete reverse will happen to satan and his band. They will die in total disgrace, they will be given absolutely no consideration. Isaiah 14:18-20, R.S.V.:

18 All the kings of the nations lie in glory, each in his own tomb.

19 But you are cast out away from your sepulchre like a loathed, untimely birth, clothed with the slain, those pierced by the sword, who go down to the stones of the pit, like a dead body trodden underfoot.

20 You will not be joined with them in burial, because you have destroyed your land, you have slain your people "May the descendants of evildoers nevermore be named!"

Verse 5:

Thou shalt fall upon the open field: for I have spoken [it], saith the Lord GOD.

An open field is where there are no obstructions, no blinds, nothing to stop your vision. So what He is bringing out here is that satan's organization will fall in open view to all. It will not be hidden; everyone will see the devil's organization fall and they will know why it is going down. The leaders will not be able to cover up the wrong or glaze over what they have done.

Verse 6:

And I will send a fire on Magog, and among them that dwell carelessly in the isles: and they shall know that I [am] the LORD.

Magog is the devil's domain. This is his land or his empire. Now fire has a couple implications in the Scriptures. It is used to illuminate or to enlighten, thereby symbolizing the Truth. And fire can also be very destructive; something burned by fire has no hope of repair. In this instance the fire is a consuming fire that will totally decimate satan's organization. The verse says that Yahweh sends a fire on Magog, this is because He is in control, but Ezekiel 28:18 in *The James Moffatt Translation* brings out that satan sets fire to himself:

18 By the greatness of your guilt, by the crimes of your commerce, you have profaned your sacred position: therefore I have made you set fire to yourself, with flames that consume you, and reduced you to ashes on the earth in the sight of all who behold you.

19 All who know you among the people are appalled at you. You have come to a dreadful end and shall be no more forever. (R.S.V.)

So YAHWEH doesn't destroy satan directly, HE makes it so that satan's organization actually destroys itself. Neighbor will turn against neighbor and they will completely annihilate themselves (Isaiah 14:13).

Verse 7:

So will I make my holy name known in the midst of my people Israel; and I will not [let them] pollute my holy name any more: and the heathen shall know that I [am] the LORD, the Holy One in Israel.

Yahweh is known in the midst of His People Israel. Israel are His People, He deals with them alone, not the christians, baptists, methodists, what have you, *only Israel*. (See Jeremiah 31:10,11; Jeremiah 51:19; Psalm 147:19,20). And He is not dealing with the disobedient Israel of old who rejected Yahweh and He allowed them to be conquered. Romans 9:6-8 brings out that the Israel of the flesh is not the

Ezekiel Thirty-nine

Israel of God but that it is the Israel of the Promise who are. True Israel are taken from all nationalities and races. They are those who, regardless of their heritage, strive for their God's blessing as Jacob did and therefore take on the name Israel which means "he who strives with God (meaning for His blessing)."

He says, "I will not let them (Satan's hordes) pollute my holy name anymore." Yahweh's Name has been reproached for centuries and Yahweh can no longer abide it. This system that breeds hatred, indifference and corruption is going down and it is staying down. Rivalry will not rise up a second time (Nahum 1:9).

"And the heathen shall know that I am the Lord, the Holy One in Israel." The heathen are all those who are not Israel. They can be any nationality. Anyone who does not know the Truth, including those of fleshly Israel, is considered heathen. The only heathen that will know that Yahweh is the Almighty God and that He is dealing with Israel will be the regular ones, or the stranger class. These have been heathen up until now and have opposed Yahweh and His People all along, and now they are waking up and realizing that Israel are Yahweh's True People and they will come over to us. *Zechariah 8:23, The Jerusalem Bible:*

"Yahweh Sabaoth says this. In those days, ten men of nations of every language will take a Jew by the sleeve and say, 'We want to go with you, since we have learned that God is with you.'"

Isaiah 14:1,2:

1 For the LORD will have mercy on Jacob, and will yet choose Israel, and set them in their own land: and the strangers shall be joined with them, and they shall cleave to the house of Jacob.

2 And the people shall take them, and bring them to their place: and the house of Israel shall possess them in the land of the LORD for servants and handmaids: and they shall take them captive, whose captives they were; and they shall rule over their oppressors.

Verse 8:

Behold, it is come, and it is done, saith the Lord GOD; this [is] the day whereof I have spoken.

This day is not a single day but actually a ten year period beginning with Israel's preaching and culminating with the final war. He says it is done because when Yahweh says something it is as good as done. His words do not return to Him void but accomplish their purpose (Isaiah 54:17). Yahweh does not renege on His word but fulfills them to every last detail.

Verse 9:

And they that dwell in the cities of Israel shall go forth, and shall set on fire and burn the weapons, both the shields and the bucklers, the bows and the arrows, and the handstaves, and the spears, and they shall burn them with fire seven years:

The *Authorized* says "cities" but *Moffatt's* brings it out clearer:

The *citizens* of Israel shall go out and make firewood of the weapons, the targess, the shields, the bows and arrows, the pikes and spears; it will serve them as firewood for some years.

We are not speaking of the typical Israel which consisted of numerous cities. This is after the final war, when the *citizens* of Yahweh's True Nation of Israel come out of their shelters and begin to make use of the machinery left by the heathen nations.

The seven years referred to in *The Authorized Version* is not speaking of a specific time period. The seven is being used as a heavenly number to denote completeness. In other words, we will use these things until they are completely used up. In the days of old, many things, including their weapons were made of wood. Now, however, the armies of today's nations employ much more sophisticated equipment, planes, tanks, trucks, tractors, caterpillars, etc., all made of the best material. Israel will take advantage these implements of war and turn them into something good. We will use them for constructive purposes, to build the Kingdom.

Verse 10:

So that they shall take no wood out of the field, neither cut down [any] out of the forests; for they shall burn the weapons with fire: and they shall spoil those that spoiled them, and rob those that robbed them, saith the Lord GOD.

The burning of the wood just indicates that we will use whatever they leave. For a while after the war, Israel will not have to make any of these things. They will just be sitting there for our use, cars, trucks, planes, cranes, bulldozers, road graders, forklifts, ditch diggers, well diggers, cement mixers, tractors, trailers, back-hoes, front end loaders, you name it.

There are a couple examples in the Scriptures that Yahweh uses to foreshadow this time period. First in Genesis 49 Jacob is blessing his sons and according to their particular blessing they either remain or are removed from the list as a numeric type that will be fulfilled in True Israel in the last days. In verse 27, Jacob is blessing Benjamin and says:

Benjamin shall ravin as a wolf: in the morning he shall devour the prey, and at night he shall divide the spoil.

In this prophecy Benjamin remains as a type because he does to the heathen what all of Israel will do. Benjamin is likened as a ravenous wolf in that he seeks a plunder. Like a thieving wolf, Israel will take a spoil from the heathen. Israel will actually begin to take from the gentiles before Har-Meged-Doon* when a great deal of the wealth of the gentiles comes over to Israel with the coming out of the strangers or regular ones. But it will have even a greater fulfillment when the end has come, for there will be stockpiles of everything at Israel's disposal.

Yahweh also made a picture of the of the events that would occur at the time of the final war in Second Chronicles. In the type, three heathen nations, Ammon, Moab and Mount Sier came up against Israel. Ammon, because it possessed the LORD's People and controlled them pictures politics, under the iron-rule of the ussr (Judges 10:7-8; 1 Samuel 11:1-4; Jeremiah 49:1-6). Moab because of their wealth and life of ease pictures commerce or a nation dominated by commerce which is the usa, the other super power (Jeremiah 48:11; Zephaniah 1:11,12) Mount Sier, which was the capital of Edom, the city started by Esau who had the first opportunity to receive Yahweh's blessing but sold his birthright for a bowl of soup (Genesis 25:30-24), pictures religion who also sold out for personal gratification. These three came against Israel but ended up turning on and annihilating each other as Israel stood by and watched. When it was all over, Yahweh's People took the plunder. 2 Chronicles 20:25:

And when Jehoshaphat and his people came to take away the spoil of them, they found among them in abundance both riches with dead bodies, and precious jewels, which they stripped off for themselves, more than they could carry away: and they were three days in gathering the spoil, it was so much.

Likewise, in the fulfillment, the nations will come against Israel only to destroy themselves. Then Ezekiel 39:10 will apply: Israel "shall spoil those that spoiled them," or we will take a spoil, from those who spoiled us. We will take from those who took from us.

* Har-Meged-Doon: Mountain of precious things and justice or judgment executed.

This is the time just prior to and including the five month argument during which the death sentence is executed upon this system.

Ezekiel Thirty-nine

The system continuously and unrelentingly takes from its members. Not only are the people forced to live with the pressures of this system, struggling to survive, but the earnings that a man has managed to obtain is pervaded by miscellaneous deductions and taxes. There is a tax on just about everything. They tax your income (twice—once by the state and again by the government); they tax your food, they tax nearly every purchase you make aside from some clothing; they tax the gas you put in your car, they tax your property, they tax you in case you become ill, they tax you in case you lose your job, they tax you for when you get old, and as if that isn't enough, they tax you when you die. And even after you pay these taxes, you are not home free. There are surcharges upon surcharges that you must pay. For example you are taxed for the roads then must pay a toll to drive on them; you pay for insurance but must pay the first few hundred yourself, if you are even covered for that specific circumstance.

To add insult to injury, the money that the man is forced to give to the I.R.S. through the federal income tax, is used to finance the production of these weapons of war, and the destruction of his fellowman, who is working just as hard as himself but who lives in a country that the rulers of this nation are at odds with. Now this is being robbed.

This is an outrage and Israel will not be a party to it. We flatly refuse to pay taxes for services we do not want rendered, especially the federal income tax because it is a war tax. We come with a message that will save man (if he responds favorably) and we will do nothing to promote innocent bloodshed.

Here is a case in point where Jehovah's Witnesses allow the manacles of satans system to drag them into even greater darkness. For instead of fearlessly obeying GOD rather than man as Paul advised us to do, they compromise with caesar (the government) and cower to this mighty internal revenue service. What's more is that they try to justify their payment of the tax because they aren't the ones actually buying, or making the weapons. If you give money to a drunk, who is responsible if he buys a bottle of booze with it? This is a simple but effective analogy, and this organization that claims to have separated itself from the world better take a closer look at themselves and start making progress instead of regressing from the stands that her founding fathers, Russell and Rutherford had taken years ago.

Verse 11:

And it shall come to pass in that day, [that] I will give unto Gog a place there of graves in Israel, the valley of the passengers on the east of the sea: and it shall stop the [noses] of the passengers: and there shall they bury Gog and all his multitude: and they shall call [it] The valley of Hamongog.

This verse has been translated from the Hebrew by Jeremiah. I passed out sheets with the actual transliteration of the Hebrew:

הוּוֹאֵ	בַּיּוֹם	וְהָיָה

מְקוֹם-שָׁם	לְגוֹג	אֶתְךָ

בְּעֵמֶק
of valley

I'll read the clarification:

And it shall be in that day, that I will give perpetuity unto gog. In a valley in Israel east of the sea, there shall be the place of his sepulchre. It will be placed there for those passing over east of the sea, and it shall stop the same, even those passing over, for there shall be buried gog and all of his multitude. And it shall be called the valley of hammon gog.

Perpetuity means the state of continuing indefinitely, everlastingly. This is speaking of satan's demise, it will be eternal.

It goes on to say that in a valley in Israel east of the sea, there shall be the place of his sepulchre [his tomb or grave]. This is symbolically where satan and his organization will always be. He has gone down, dead and buried, never to rise again. It is in Israel because Israel inherits the entire earth and Israel will always remember and talk about satan's everlasting downfall and the result of disobedience. It has been a lesson that has been etched upon our hearts, that we will teach generation after generation throughout eternity.

If you look at the diagram you can see the dead sea and east of it is this valley of graves. East of the sea are Ammon, Moab and Edom whose characteristics make them representative of the three main elements in satan system: politics, commerce and religion respectively. Directly opposite of Judah is Moab, who pictures this system as commerce is the main culprit and both politics and religion work for the system, for money. This system ruled by commerce is what Israel will change and cause to work for the benefit of man (Isaiah 23:18; Genesis 9:24). Never again will she be able to oppress Yahweh's People.

"And it shall stop the same even those passing over." Some translations say "stop the noses" but this is incorrect. "Noses" isn't even in the Hebrew; they added this. It stops the travelers or those passing over. So we are given a picture of a valley filled with so many huge mounds of dirt or graves that it prohibits people from walking in it. Those passing over that are stopped are all of those who traveled in the way of satan's organization that won't be walking there any longer because they now know Yahweh and have His Truth. This is depicted by their not being able to walk over all of the mounds of dirt.

"And shall be buried there even gog and with him all his multitude and shall call it the valley of hammon gog." So the valley is named after the multitude of gog because it contains a multitude of the devil's dead.

This verse projected us into the future, after it is all over and the burial has taken place, after coping with all the wrong that was done in the world, experiencing it, and learning never to walk that way again. This valley serves to remind us of the result of following a course not sanctioned by Yahweh, and stops us from ever going astray.

Verse 12:

And seven months shall the house of Israel be burying of them, that they may cleanse the land.

Again this seven months is not to be taken literally, but is denoting a complete period of time. We will bury them until they are all buried, until the land is completely cleansed. This will take far longer

Ezekiel Thirty-nine

than seven months as there will be entire cities demolished and there will literally be dead bodies from one end of the earth to the other. The destruction will be tremendous, mountains of rubble. Imagine the earth after nearly a year of warfare and picture the twisted steel, broken glass and shattered stone not to mention the billions of people and other animals that will be enmeshed in the ruin. This will be a long and gruesome task that will serve as an effective lesson which will burn perpetually in the hearts of all the righteous. So we will take as much time as necessary to completely cleanse the earth.

First we will go about burying the bones. Then after the initial clean-up, Jeremiah tells us that we begin setting from west to east burning areas of 500 miles in each direction. The burning will serve to kill any disease ridden animal and insects and cleanse the earth of all harmful parasites and bacteria and the spores that may be laying dormant. We will start a community in a completely clean environment and then continue burning and setting until the entire earth is cleansed.

Verse 13:

Yea, all the people of the land shall bury [them]; and it shall be to them a renown the day that I shall be glorified, saith the Lord GOD.

This is a little clearer in Moffatt's translation:

All the native shall bury them, and it will be a famous thing for them when I uphold my honour, says the LORD the Eternal.

This is when YAHWEH is truly glorified. This is the final victory, when satan and his demonized organization are done away with completely. They are dead and buried, the oppression is in the past and our lives can be completely devoted to YAHWEH. The Kingdom will move forward in leaps and bounds and as for His blessings there will be no limit. The earth will be filled with the knowledge of the LORD as the waters cover the sea (Habakkuk 25) and "they shall no more say "know the Lord" for they will all know me from the least of them unto the greatest" (Zechariah 14).

Verse 14:

And they shall sever out men of continual employment, passing through the land to bury with the passengers those that remain upon the face of the earth, to cleanse it: after the end of seven months shall they search.

I'll read this from the *Revised*:

They will set apart men to pass through the land continually and bury those remaining upon the face of the land, so as to cleanse it; at the end of seven months they will make their search.

This means that we will be continually or steadily employed in searching, burying and cleansing the land. After seven months we will begin to search. Now this seven months is literal. It has been estimated that after a period of seven months the radioactive fallout from a nuclear holocaust will have dissipated and at that time it would be safe to come out of your refuge.

So after seven literal months we will leave our shelters in the mountains and begin to clean up the earth and this will continue for seven symbolic months or until the whole earth is clean.

Verse 15:

And the passengers-[that] pass through the land, when [any] seeth a man's bone, then shall he set up a sign by it, till the buriers have buried it in the valley of Hamongog.

Once again from the *Revised*:

And when these pass through the land and any one sees a man's bone, then he shall set up a sign by it, till the buriers have buried it in the Valley of Hamon-gog.

This search will be an organized endeavor and we will set up designated crews to look for the dead and somehow mark them for those who are assigned to do the actual burying. Jeremiah brings out that this scanning will probably be done with airplanes as you can cover a much broader area than you could in a land vehicle.

Verse 16:

And also the name of the city [shall be] Hamonah. Thus shall they cleanse the land.

Hah-mawn-ah means field of dead bodies. This again is referring to the multitude of the devil's dead creatures.

Verse 17:

And, thou son of man, thus saith the Lord GOD: Speak unto every feathered fowl, and to every beast of the field, Assemble yourselves, and come; gather yourselves on every side to my sacrifice that I do sacrifice for you, [even] a great sacrifice upon the mountains of Israel, that ye may eat flesh, and drink blood.

Again YAHWEH is calling to the wild beasts and the feathered fowls, anything that is a scavenger, anything that eats meat, because there will be a great slaughter. He is calling a feast for these ravenous animals. He is likening it to the celebrations that Israel had where they would sacrifice many many animals and have an abundance of food making a great feast for a multitude of people. This this sacrifice, however, will be an enormous slaughter of human lives and their carcasses will be laying all around. So He is calling these beasts and fowls and saying, "Come and eat like you never have before, feast on these human bodies; there is an abundance of food for you."

Verse 18:

Ye shall eat the flesh of the mighty, and drink the blood of the princes of the earth, of rams, of lambs, and of goats, of bullocks, all of them fatlings of Bashan.

The mighty and the princes are the mighty ones or the chief ones in the world. The ones who are in control, the leaders. Yahweh names them in this slaughter to emphasize that they are not His leaders, and they are not serving Him. If any of you had a chance to see the special on channel 12, "Thy Kingdom Come," you can really see how the religious leaders, those that claim to be serving Yahweh connect with commerce and politics. They are behind the united states and its commercial system one hundred percent and are trying to gain control in satan's governing body. This is contemptible.

The high and lofty ones in this world (politics, commerce and religion) are labeled with the rams, lambs and goats, or animals that are usually slaughtered. Bashan was very fertile and have very good pasture land for its cattle to graze, therefore it produced the fattest flock. Their being fatlings of Bashan just means that they are the choicest ones.

Verse 19:

And ye shall eat fat till ye be full, and drink blood till ye be drunken, of my sacrifice which I have sacrificed for you.

For these creatures to eat until they are full and drink until they are drunk means that there will be a huge amount of carcasses around. They would be consuming a great deal of flesh and drinking a great deal of blood. This will be the worst slaughter that has ever been experienced and that will ever be experienced by man. Two thirds of the world's population will go down, billions of people will die.

Ezekiel Thirty-nine

Verse 20:

Thus ye shall be filled at my table with horses and chariots, with mighty men, and with all men of war, saith the Lord GOD.

Here is another clue as to who will be included in this slaughter. All those who fight, all those who are attempting to selfishly establish this system on the face of the earth will be numbered with the slain. These are the warmongers, who put all of their efforts in gaining control of more and more people regardless of who suffers. Innocent children are maimed and killed, entire cities, sometimes even entire countries, are left ruined and impoverished all as a result of these mighty men trying to satisfy their ego. They are greedy bastards, considering no one, no law, no God, but themselves.

Verse 21:

And I will set my glory among the heathen, and all the heathen shall see my judgment that I have executed, and my hand that I have laid upon them.

The heathen that He is referring to are the strangers or regular ones who come out of the world. Naturally the heathen that die will see nothing. The righteous, however will begin to understand Yahweh and His purpose and they will continue to learn forever. But in order to learn and to receive blessings, you have to be alive and have the proper heart condition. Those who go down are wicked (aside from the children and mentally ill who will be resurrected), their hearts are not right, they oppose Yahweh and resent His instruction. These would only be a source of oppression had they been allowed to remain. Therefore the wicked are destroyed and their ugly system will never rise again. **Peace, blessings and everlasting joy will fill the minds and hearts of the righteous who remain to serve Yahweh. This is a promise that Yahweh has made and the hope that Israel longs for every day.**

Verse 22:

So the house of Israel shall know that I [am] the LORD their God from that day and forward.

This is the Israel of Promise He is speaking of, the Israel who obeys Yahweh. When all of these events occur exactly as He told us, there will be no doubts. Everyone will know that Yahweh is for real and that He fulfills His promises. He made a complete separation of the wicked and the righteous, then had the wicked turn on and massacre each other, timing it perfectly to assure that none of the righteous were harmed. It will be so beautiful to actually witness the fulfillment of each of these promises and when the wicked are gone, we will know that it is over and we will breathe a sigh of relief and praise Yahweh. **The righteous will now have control of the earth and will reinstate it as the paradise it was created to be.**

Verse 23:

And the heathen shall know that the house of Israel went into captivity for their iniquity: because they trespassed against me, therefore hid I my face from them, and gave them into the hand of their enemies: so fell they all by the sword.

Now it appears as if He is speaking of the same nation of Israel. But Yahweh does not turn His back on True Israel, they love Yahweh with all of the minds and hearts and strength. In this verse He is referring back to the israel of old which was a people that was used for types and examples. When they were obedient, they were blessed. He delivered them out of bondage, destroyed enemies before their very eyes and made the world notice that they had a God that fought for them. But aside from a few of the faithful, israel was not loyal to Yahweh. They continually wanted the ways of the heathen never being satisfied with whatever Yahweh had done for them. They watched Him send plague after

plague upon Egypt and never once touching the home of an Israelite. They saw Him part the sea for them to walk across dryshod and close to swallow up pharaoh's army who were in close pursuit. They ate bread from heaven and drank water from a stone as they crossed the desert. Instead of being thankful they murmured to Yahweh continuously. Here they experienced all of these marvelous works and were brought into their own land where they could dwell securely, but they gave no consideration to the One who delivered them. Yahweh was a chip on their shoulder & something phylactery for the world to see and admire them for. (Wearing the phylacteries - acting higher than thou. But to them He was second and He was treated as such. They would offer the weak and the lame as a sacrifice and worship idols made of wood and stone as if Yahweh didn't notice. They were haughty, stubborn and ungracious and had trespassed against Yahweh. So Yahweh hid His face from this disobedient nation and allowed them to be conquered. Deuteronomy 31:16-18:

16 In that I command thee this day to love the LORD thy God, to walk in his ways, and to keep his commandments and his statutes and his judgments, that thou mayest live and multiply: and the LORD thy God shall bless thee in the land whither thou goest to possess it.

17 But if thine heart turn away, so that thou wilt not hear, but shalt be drawn away, and worship other gods, and serve them;

18 I denounce unto you this day, that ye shall surely perish, and that ye shall not prolong your days upon the land, whither thou passest over Jordan to go to possess it.

Verse 24:

According to their uncleanness and according to their transgressions have I done unto them, and hid my face from them.

This is why they were overtaken, because of their transgression. They got what they deserved you might say. When Yahweh hides His face from them He is not dealing with them, He is not blessing them and they are in the devil's hands. The descendant of Jacob or Israel did not have the same heart's desire as did their forefather. True Israel, however, are a spiritual family in which all members have the same motivation, the same heart's desire, that Jacob did to serve His Heavenly FATHER.

Verse 25:

Therefore thus saith the Lord GOD; Now will I bring again the captivity of Jacob, and have mercy upon the whole house of Israel, and will be jealous for my holy name;

I'll read this in the Revised:

Therefore thus says the Lord GOD: Now I will restore the fortunes of Jacob, and have mercy upon the whole house of Israel, and will be jealous for my holy name.

He says that He is going to restore Jacob and the house of Israel. Now this is not the stiff-necked people we just spoke of in the previous verses. Amos 8:9 says that He will no longer have mercy on Israel to forgive them at all. Why would He restore them only to have them do the same thing over again. They were unappreciative then and would be today, there is no difference. Yahweh would not pick a single race of people and bless them over all others. He created all people equal and each are very beautiful. The people He holds dear to His heart are taken from all nationalities and they are dear to Him because they are obedient and they strive to serve Yahweh they put Him first in their lives. All of the Faithful Men of Old and those who stood by them are resurrected in the last days to take part in the blessing of His people.

Being jealous for His Holy Name means that never again will He allow someone to overtake His People. Never again will there be a question if Yahweh is dealing with His People. He will dwell with Israel forever and throughout eternity His protecting hand will guide us and instruct us.

Ezekiel Thirty-nine

Verse 26:

After that they have borne their shame, and all their trespasses whereby they have trespassed against me, when they dwell safely in their land, and none make [them] afraid.

Moffatt's states:

They shall forget their shame and all their faithlessness to me, once they live undisturbed in their own land, with no one to scare them.

He mixes the old with the new, the typical with the fulfillment. He says it as if it were the same Israel that was disobedient, rejected and restored. But as we have seen, it is the Israel of old, typical Israel that were shamed and it is True Israel that are blessed.

Verse 27:

When I have brought them again from the people, and gathered them out of their enemies' lands, and am sanctified in them in the sight of many nations;

Moffatt's

Once I bring them back from the nations and gather them from the countries of their foes, and let the nations see what I am by my dealing with Israel.

Israel is gathered out of all the various nations. And the heathen are going to take notice that Yahweh is dealing with us. They will wonder where we get this knowledge and zeal. How we can take the stands that we take and be confident. And it is because of YAHWEH because He has given us His Spirit that everything is possible. And those whose hearts are right will cling to Israel and Israel will number 200,000,000.

It says in *The Authorized* that He is sanctified or vindicated in them (in Israel) in the sight of many nations. Israel has the blessed opportunity to help in the vindication of Yahweh's name. His name has been dragged in the mud for centuries. His words have been twisted and misconstrued, they have been tossed into common slogans and used to promote various aspects of this system as well as being used as a curse. He is blamed for the poor conditions in the world and for the horrible tragedies that occur, for the diseases that plague man, for the blind and crippled and the general deterioration of man. Yahweh is not a hateful God who derives some type of weird pleasure out of seeing people suffer. One hasn't even a inkling of understanding to think and all-loving, all-just God would want this for His People. These things are demonized and it is satan who is responsible for the suffering and death of man.

Yahweh is given the back seat, if any at all. Occasionally He is looked to if there is a crisis in the family and for some He is thought of weekly. Even this is hypocritical. There is no real respect given to Yahweh, the Creator of the Universe who, through His mercy, gave up and suffered through having His only begotten son beaten and spat upon and finally put to an agonizing death at the stake, that man could once again have an opportunity for life. This is love, this is pure unselfishness expressed and Israel gives glory to Yahweh everyday that He is merciful and that He dealing with us, and we rejoice to do His will and desire to set the record straight that all may come to know Him as a Just and Loving GOD.

Verse 28:

Then shall they know that I [am] the LORD their God, which caused them to be led into captivity among the heathen: but I have gathered them unto their own land, and have left none of them any more there.

As we look back we will know what Yahweh has done. He allowed some to remain and everyone to be completely encompassed by him and his organization. He allowed all of mankind to suffer under the domain of this barbarous system in order to teach them a most thorough lesson that they will never forget. Never again will mankind stray away from Yahweh and attempt to rule himself. Never again will man question if there is something yet better. All men will realize and appreciate true peace, security and happiness and when all men are provided for and dwelling securely then Yahweh is glorified. All men can truly say that YAHWEH is a loving God, a god who makes provision for His People and this will glorify Him. This is much different than the devil of whom is said "you have slain your people and destroyed your cities." The devil is a hateful god, he rules with anger. But Yahweh has rescued His People from the world and has not left one. He likens it to gathering grain and says that Not one kernel will be lost. He will gather every one of His People and bring them into their own land, the promised land, the Kingdom, Yahweh's Kingdom which is being establish here on the earth and which will remain forever. Daniel 2:44 states:

And in the days of these kings [the united states and russia], shall the God of heaven set up a kingdom which shall never be destroyed: and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand forever.

Verse 29:

Neither will I hide my face any more from them: for I have poured out my spirit upon the house of Israel, saith the Lord GOD.

He is saying that He will never hide His face from Israel or abandon His People again. Again the israel of old were typically His people. But they were disobedient and Yahweh hid His face from them, or He removed Himself from them and they were completely taken over by the devil's organization and destroyed. He is saying here that this will never happen to True Israel. He will never hide His face from them. He will continue to deal with them, guide them, communicate with them, bless them throughout eternity. So when He says that He will not hide His face from them anymore this is in the last days when Israel is restored and wickedness is expunged and His Holy Kingdom has control of the earth and those who dwell therein.

Verse Twenty-five, *Revised:*

Therefore thus says the Lord GOD: Now I will restore the fortunes of

Ezekiel Thirty-nine

Now to brief the people, the new people who have not heard the thirty-eighth chapter of Ezekiel, we find that this deals with the Lord's People when they are safely tucked away in the mountains. For those of you who have not heard, we do have to leave all populated areas wherever the government authorities are in force, where there are a lot of members of this world. We have to isolate ourselves and move away from this environment. For this reason, we will be able to make a living and we will also be protected from the catastrophe that is coming in the very near future. The scriptures bring out that when Israel is safely, tucked away in the mountains, and they are getting a long very nicely, they have cattle and goods, and are thriving, that the devil's organization will endeavor to tax them. What excuse they will give? Well they really will have no excuse except that we are living on this planet and they will take it, being they are the super authorities, that the planet belongs to them. Which it does not. The Scriptures plainly declare that "the earth is the Lord's and the fullness thereof" ().

And we are His People and we will not pay them tax for nothing. At this time they will do absolutely nothing for us. Nothing at all! We will be by ourselves and have our own schools, make our own roads, build our own homes; take care of everything ourselves. So there is no reason to be taxed but they will endeavor to do so.

During this time there will only be two hundred million of Israel. That is one-twentieth of the earth's population working together and the people of goodwill who yet have not come out and joined us will be amazed at this move made by the devil's organization. They will be amazed at the devil taxing a people for whom they do absolutely nothing for. They will see the injustice of it and it is at this time that the world begins to divide for the last time.

YAHWEH says that at this time, it's the last straw, He can't take any more. He says, "Then will my fury rise to my face" (). What happens there, all though russia and the united states is together and will agree on taxing them together, there will be some type of disagreement which will turn the nations on each other. What appears to be the case that will take place at this time is the differences of opinion in just how they should control the Lord's People. russia will try to dominate them completely and have them work for her, while the democracies will be satisfied at just taxing them. At any rate a violent argument starts over the issue between russia and the united states and it is because of this the nations turn on each other, which is the end.

All right now when the people of goodwill finally see that the nations are going to destroy themselves, it is at this time that one-third of the earth's population comes out of the world and joins us because we have consistently told them that this would actually happen and that the peace they had made would not agree, would not continue. Many people say they would have to be out of their mind to bomb because YAHWEH definitely says they will. They will destroy each other. The unbelievable thing does take place and the people of goodwill which comprise one-third of the earths' population comes over and joins us at this time. Then comes the destruction of the devil's organization.

Verse 1:

Read this verse for the Moffatt's or Rotherham:

Thou therefore son of man Prophesy against God, and thou shalt say Thus saith My Lord Yahweh: Behold me! against thee O God, Prince of Rosh Meshech and Tubal (The Emphasized Bible by J. B. Rotherham).

Another thing I want to say that *The King James Version*, a couple other versions leave out the word *Rosh*.

Therefore, thou son of man, prophesy against Gog, and say, Thus saith the Lord GOD; Behold, I [am] against thee, O Gog, the chief prince of Meshech and Tubal: (A.V.)

All right some how the translators have inserted chief instead of Rosh because Rosh is the chief one. What it should read is the prince of Rosh, Meshech and Tubal. Now this is what the Moffatt's says. This is what Rotherham says. This is what many of the translations say.

Now gog pictures, or is actually the devil because the name *gog* means "roof or covering." Now when

Ezekiel Thirty-nine

He speaks of the devil in Ezekiel Twenty-eight He says "You are the cherub [or angel] that covereth." In other words, he is the one that holdeth over man. he is the one that had the, was the protection and guidance over man. In other words, he was given the office to guide the newly created pair.

Now *rosh* means "head, top or beginning." In other words, this is the beginning of the devil's organization. At first the devil was alone and then he began selecting his members. Now *rosh* was the first one.

Meshech means "who was drawn out by force." Now the devil, being a liar, we find that he was able to deceive one-third of God's Angels and this force that he employed was the force of deceit. So *Meshech* means the ones who have been deceived by the devil and caused to follow him.

Tubal is "the earth, the world that is carried or led." So we have the entire organization. so the prophecy is directed against gog, the devil, and he is the prince of rosh, meshech and tubal. He is the head over the whole thing. So YAHWEH is directing this message against the devil and his entire organization.

Verse 2:

And I will turn thee back, and leave but the sixth part of thee, and will cause thee to come up from the north parts, and will bring thee upon the mountains of Israel:

Now YAHWEH takes the responsibility as though He is actually leading the devil against His People. What YAHWEH knows is that it is a forgone conclusion that the devil will do this. It's like baiting a trap with some very spicy cheese. You know the mouse is going to go on it. And Yahweh's People, there without walls, without gates of any kind. prospering. We know that the devil's organization is going to be looking at us covetously and desire to begin to take some of the fruit of their labor for themselves. So being YAHWEH knows this is going to happen, He permits it to happen. It's as though He actually leads them on. by Israel being blessed YAHWEH allow the devil to continue until he makes his move. When he makes his move, then this will be the end of the devil and his organization. Now He says in verse three:

And I will smite thy bow out of thy left hand, and will cause thine arrows to fall out of thy right hand.

All right now an archer who loses a bow in his left hand and the arrows out of his right hand, he's completely disarmed. In other words, he can't do anything. So this is where the devil will have struck the blow where he will not be able to go against the Lord's People. The reason will be, he will not be able to carry his purpose out, the reason being that he will have trouble at home. In other words, when the argument starts between his own members, he will have to turn his attention on his own people. And this will be as good as disarming him when it comes to fighting against Israel.

Verse 4:

Thou shalt fall upon the mountains of Israel, thou, and all thy bands, and the people that [is] with thee: I will give thee unto the ravenous birds of every sort, and [to] the beasts of the field to be devoured.

Falling upon the mountains of Israel doesn't necessarily mean that he is going to fall right in Israel, or where we are. But it does mean he falls because of Israel. In other words, it will be the issue that he takes against Israel that will bring about his downfall. for YAHWEH says in chapter thirty-eight, verse eighteen, He says:

And it shall come to pass at the same time when gog shall come against the land of Israel, saith the LORD God, that my fury shall come up on my face.

In other words, this is the last straw. This is the end. so he falls because of Israel. Now we'll make that clearer as we go on.

Ezekiel Thirty-nine

Anything that is devoured by birds and beasts it means that they are dead. That they are laying there as corpses. They do not receive a ceremonial burial of any kind. They die a disgraceful death and just left abandoned wherever they fall. Jeremiah 25:33:

And the slain of the LORD shall be at that day from one end of the earth even unto the other end of the earth: they shall not be lamented, neither gathered, nor buried; they shall be dung upon the ground.

Well dung is manure in case you don't know it. It'll just lay there. It will not be buried. It will not have any, there will be no ceremonial burial, no consideration for these individuals.

Verse 5:

Thou shalt fall upon the open field: for I have spoken [it], saith the Lord GOD.

Now what He is bringing out here is that it will fall in open view to all. Falling upon the open field means it will not be hidden. Everyone will see the devil's organization going down and they'll know why it's going down. The open field is where there are no obstructions, no blinds, nothing to stop the vision.

Verse 6:

And I will send a fire on Magog, and among them that dwell carelessly in the isles: and they shall know that I [am] the LORD.

Magog is the devil's domain. In other words, this is his land, his empire. The fire that he sends there is a consuming fire, which destroys him. Now Ezekiel 28:1 says:

All right this fire is a consuming fire. This is a battle where they turn on each other and annihilate one another, consume one another. Bringing them to ashes he is referring to his organization. his organization shall be brought to ashes upon the earth. When something is brought to ashes it's burned up, it's consumed, it's gone, it disappears. he destroys himself.

Verse 7:

So will I make my holy name known in the midst of my people Israel; and I will not [let them] pollute my holy name any more: and the heathen shall know that I [am] the LORD, the Holy One in Israel.

Now you notice when this happens—when the devil's organization goes down. Who is He making His name known to? "So I will make my holy name known in the midst of my people Israel." No christian of any kind. There is no baptist, no methodist, no presbyterians, there is none of these things. It is Israel.

Now He says, "I will not let them pollute my holy name anymore,." indicating that wickedness does not rise up a second time.

"And the heathen shall know that I am the Lord, the Holy One in Israel." Now the heathen are all those that are not Israel and these can be any nationality. In fact, there are a lot of israel of the flesh that will be heathen at this time because anybody who doesn't know the Truth is heathen. Now the only ones of the heathen that will get to know at this time, that YAHWEH is the Almighty GOD and that He has dealt with Israel are the stranger class who have been heathen up until now. Who have opposed YAHWEH and His People and these will live through and come to recognize that YAHWEH is God and that He does deal with Israel.

Again, now you see the importance of Israel. This is what the world does not understand. "YAHWEH deals with Israel alone, He deals with no other nation" (). When He restores the blessings of His People on earth, He does it by restoring Israel. Now don't get them confused because this is not

Ezekiel Thirty-nine

the israel of the flesh because he says the Israel of the flesh, is not the Israel of God. The Israel of YAHWEH is the Israel of promise (Romans 9:6-8). It is the Israel, it is the ones who strive for His blessings as the original Jacob did and his name was changed from Jacob to Israel because he strove for God's blessing. So the only purpose that YAHWEH has for mankind is to restore His obedient People and this people is organized into a nation and this nation is called Israel. When this is done His Kingdom will be fully established on earth, for which you have been taught to pray, "Thy kingdom come, they will be done on earth as it is in heaven" (Matthew 6:10). It is done by the restoration of Israel.

Verse 8:

Behold, it is come, and it is done, saith the Lord GOD; this [is] the day whereof I have spoken.

In other words this is the day I spoke of long ago. Mentioned many times. This is the end of the world. This is the deliverance of His People. This is what we are all studying for. This is what we are all fighting for. This is what we are living for really, to reach into that glorious Kingdom. Now before these things happen, Israel like YAHWEH are just People, loving People, and they try to save the whole world if they can. They will reach everybody but everybody will not pay attention.

Verse 9:

And they that dwell in the cities of Israel shall go forth, and shall set on fire and burn the weapons, both the shields and the bucklers, the bows and the arrows, and the handstaves, and the spears, and they shall burn them with fire seven years:

Now this says the cities of Israel but Moffatts brings it out clearer. There is really no cities in Israel at this time. It says:

The citizens of Israel shall go out and make firewood of the weapons, the target, the shields, the bows and the arrows...and shall burn them for seven years. This is the heavenly number. In other words, they will use them until they are completely uses up. There is no special time period here, seven years. But the number seven is completeness and they will use not only their wood, this is just a symbol. many things were made of wood at that time. But at this time they will have many implements fo war such as tractors, caterpillars, and what not. All of these things will be used for good, for good purposes and Israel will take advantage of everything the heathen leave when they destroy themselves.

Verse 10:

So that they shall take no wood out of the field, neither cut down [any] out of the forests; for they shall burn the weapons with fire; and they shall spoil those that spoiled them, and rob those that robbed them, saith the Lord GOD.

In other words, the burning of the wood indicates we used whatever they leave. this is what it means and for a long time we will have, we really won't have to make anything. they'll leave so much. No doubt they'll leave many cars and trucks and all types of equipment, forklifts and backhoes and loaders, and everything. Graters and everything that they use and Israel can use these things.

OK they are the ones that deprived us. They are the ones that taxed us to death. So they go down and we take over everything that they leave use. so we deprive them where once they deprived us and we rob them where once they robbed us. It is not right that a man has to work and give so much of his pay toward implements of war, for the destruction of his fellow man because he may be living across the ocean. This is not right. This is being robbed. the individual is being robbed. I know that most people would not want to do it. Now Israel just flatly refuses to do it but those that are working in the organization of this world cannot help themselves and we find the money is taken out of their pay, so they get it but it's not that we approve of it.

Verse 11:

And it shall come to pass in that day, [that] I will give unto Gog a place there of graves in Israel, the valley of the passengers on the east of the sea: and it shall stop the [noses] of the passengers: and there shall they bury Gog and all his multitude: and they shall call [it] The valley of Hamongog.

Valley of Hamongog or the valley of gog's multitude is what it means. Burying them in a particular place, where you might say the valley of the passengers indicates that they bury them in a place where everybody passes and will be able to notice them. Now this is all symbolic. If you notice the grave it will remind you of what happened to the devil and his entire organization. What YAHWEH is bringing out here is you'll never forget what happened to the devil and his entire organization. The terrible destruction that came upon them. The terrible calamity, the fire that devoured them for being disobedient to YAHWEH. Israel will never forget and YAHWEH puts it in such a way as though their graves were pitted along the road side were every time you passed you'd see them and be reminded. All He's telling you is you will never forget and we will never forget the horrors that will prevail during Armageddon, during the destruction of this system. This is going to be the most horrible thing this world has ever seen. The second world war was nothing to what is going to come now, what is going to come shortly.

Verse 12:

And seven months shall the house of Israel be burying of them, that they may cleanse the land.

Now again the seven is not literal. In other words, we'll be burying them until they are all completely buried. It's going to take a lot more than seven months because there is going to be millions, well really billions of people slaughtered. There is going to be cities, entire cities that are toppled over and carcasses under the steel and the stone—under the rubbish. This will take a long time. What He is bringing out here is that they'll continue cleaning until they are entirely cleansed.

Verse 13:

Yea, all the people of the land shall bury [them]; and it shall be to them a renown the day that I shall be glorified, saith the Lord GOD.

OK now this is the time when YAHWEH is glorified, when the devil's organization is finally through. Moffatt's says

It will be a thing for them when I uphold my horror, says the Lord Eternal.

This is the final victory. This is the final cleansing of the land of the carcasses of the demonized host that obeyed the devil.

Verse 14:

And they shall sever out men of continual employment, passing through the land to bury with the passengers those that remain upon the face of the earth, to cleanse it: after the end of seven months shall they search.

In other words, they will separate men who are continually employed.

In plain language it brings out that the, I'll read this in *The Revised Standard Version*:

This means that they will continually be employed until everything is cleansed.

Ezekiel Thirty-nine

Or they begin to search. Now this is literally true. Scientist found that at the end of seven months the radiation from a nuclear attack should have disappeared from the face of the earth and you can actually come out and begin walking on the land that had once been polluted. So at the end of seven months we come out and we have men of continual employment, working all the time, steadily, cleansing the land and burying the dead bodies.

Verse 15:

And the passengers [that] pass through the land, when [any] seeth a man's bone, then shall he set up a sign by it, till the buriers have buried it in the valley of Hamongog.

Read in *The Revised Standard Version*:

And when these pass through the land and any one sees a man's bone, then he shall set up a sign by it, till the buriers have buried it in the Valley of Hamon-gog.

Or gog's multitude.

Verse 16:

And also the name of the city [shall be] Hamonah. Thus shall they cleanse the land.

OK now this means the multitude. That is the multitude. This brings out that the men will be searching for dead bodies continuously and when they see a dead body, they set up a marker, a "sign" and the burial crew will go to bury it. All right now we don't know exactly how we are going to work this. Possibly it may be done with airplanes. I often thought of this. With an airplane you can scan a wide vision you might say, wide areas and if you do see a dead body you could actually throw something down and let it stick there until it stands up and the burial crew could come along and find it very easily and bury it. It would be much easier then just riding around on a vehicle with wheels where there are no roads or anything and it would be much more difficult finding it that way. But they will be marked and the burial crew will endeavor to cleanse all carcasses from wherever they lay.

Verse 17:

And, thou son of man, thus saith the Lord GOD; Speak unto every feathered fowl, and to every beast of the field, Assemble yourselves, and come; gather yourselves on every side to my sacrifice that I do sacrifice for you, [even] a great sacrifice upon the mountains of Israel, that ye may eat flesh, and drink blood.

Well that's the multitude. This is the multitude of the devil's dead creatures.

OK now he is calling for all the beasts and the feathered fowls, anything that is a scavenger, anything that eats meat. What YAHWEH is actually telling you here is that there is going to be a great slaughter, a great slaughter. He likens it to a sacrifice when much cattle and sheep and everything else was killed. When there was a celebration and there were much more animals killed that at any other time, a great celebration were there were a lot of hungry mouths to feed, they did a lot of killing. But this sacrifice is going to be actually the sacrifice of human lives and there is going to be a lot of carcasses laying around, so he is actually telling the beasts and the fowls to come eat like you never ate before because there is going to be a slaughter like there never was before.

This indicates that this will be flesh and blood that will be eaten or they will be flesh and blood that will be slaughtered, that will be sacrificed. Now He begins to tell you about the slaughter.

Verse 18:

Ye shall eat the flesh of the mighty, and drink the blood of the princes of the earth, of rams, of lambs, and of goats, of bullocks, all of them fatlings of Bashan.

All right the mighty are the chief ones in the world, the leaders of the world.

The princes are the chief ones of the earth. These are the rulers or the leaders of this world. What He's telling you here, the reason He distinguishes rulers or these leaders as being dead carcasses is to make it very clear that the rulers of this world are not yahweh's rulers that they are His enemies and the rulers of this world are instruments of the devil because this world is of the devil. So anyone in authority who is ruling in this world and is from this world is actually ruling under the guidance of the devil. This is why the world comes to an end. This is why this world is wicked. This is why YAHWEH has to replace this world with His Kingdom. So you find that the mighty and the princes will be those that are slaughtered at this time.

Then He continues and likens it to a literal slaughter. He says, "of rams, of lambs, and of goats, or bullocks, all of them fatlings of Bashan." OK now in a literal slaughter this is what they would be killing rams and lambs and goats and bullocks, fatlings of the Bashan. Now this is where, the Bashan is where there was very good pasture land. This produced the fattest of the flocks.

Verse 19:

And ye shall eat fat till ye be full, and drink blood till ye be drunken, of my sacrifice which I have sacrificed for you.

OK Now eating fat until they are full means that there is going to be an awful lot around. An awful lot of carcasses around. Drinking blood till they're drunk, well in order to get drunk a person has to consume an awful lot. this means that they will be consuming a lot of blood and this means that a lot of blood would be spilled. A lot of blood would be shed. Because this is the greatest slaughter the world has ever seen. This is actually Armageddon. This is the end of the world. This is when Israel is delivered. This is when Israel will no longer be oppressed by the devil and his organization—no taxes, no forms to fill of any kind, no money, no army, no navy, no records to keep, no insurance company, nothing that you have today to confuse you. Life will be a joy.

Verse 20:

Thus ye shall be filled at my table with horses and chariots, with mighty men, and with all men of war, saith the Lord GOD.

OK again He is giving you a clue on to those who will be slaughtered. In other words men and equipment, all those who fight, all those who are trying to selfishly establish this system on the face of the earth. Those that are literally shedding blood in opposition to an opponent, or another force, which they hope to dethrone in order that they may formly (?) established. These are the selfish ones of the earth. These consider no one, no law, no god, but themselves.

Verse 21:

And I will set my glory among the heathen, and all the heathen shall see my judgment that I have executed, and my hand that I have laid upon them.

OK now when this begins all of the heathen will see what is happening. Naturally those that are dead will see nothing but the heathen that remain will naturally learn. These are the strangers, they will learn forever. This YAHWEH has done but in order to learn your lesson and receive any blessings at all, the person has to survive and they have to have the proper heart condition. Because those that do not have the proper heart condition will not understand the truth and they will try to solve that which is unsolvable. They will take part in the argument of this world. They will take sides. If they are in america they will side up against russia and if they are in russia they'll side up against america and stupidly slaughter one another and finish themselves—blot themselves out for no reason at all because YAHWEH did not intend for the united states to rule this world. He did not intend for russia to rule. He has another purpose all together and they better find out what it is if they want to receive

Ezekiel Thirty-nine

His blessings. His purpose is to restore Israel, His People, His People of goodwill. In fact, when He was born the song was heard, "Peace on earth to men of goodwill" (). Only the men of goodwill; will have peace, experience peace on earth. So in 22:

So the house of Israel shall know that I [am] the LORD their God from that day and forward.

OK now this time He is likening the israel to the obedient Israel, an Israel who has learned it's lesson. Actually this is the obedient Israel, the Israel of Promise who does obey and understand and at this time naturally when you see all this, there will be no doubts in anyone's mind that YAHWEH is for read and that He fulfills His promises, because everything He has ever said has happened and the destruction of the wicked has been such a clear cut thing. To actually separate the wicked and the righteous and to slaughter all the wicked and to preserve the righteous. He makes the separation so beautiful that there would actually be no wicked in our camps and there would be no Israelites in the devil's camp. When the slaughter takes place or when the firing you might say starts, it only starts in the camps of the wicked and they destroy themselves.

Verse 23:

And the heathen shall know that the house of Israel went into captivity for their iniquity: because they trespassed against me, therefore hid I my face from them, and gave them into the hand of their enemies: so fell they all by the sword.

Now He is telling you what happened to Israel. Because of their iniquity He removed Himself from them. Now when He restores Israel, does He restore the same ones? No. Impossible. If they were truly Israel, they would have been Israel at that time. They would have striven for His blessing at that time. So we find that the only ones that did measure up to Israel were the prophets and a few of their followers. These were truly Israel. Anyone who was Israel had their opportunity to prove it in the israel of old. They had a chance to obey because YAHWEH was dealing with the israel of old and those who didn't measure up were certainly not Israel. Those who do not measure up today are not Israel, Those who do are truly HIS People. This means that He removed Himself from the israel of old and they were completely overcome by the enemy, completely conquered. The heathen overran all of israel.

Verse 24:

According to their uncleanness and according to their transgressions have I done unto them, and hid my face from them.

As they disobeyed the farther YAHWEH removed Himself. so He's telling you why Israel does not succeed—because they were a disobedient people. Now why were they israel and did not obey him? The truth of the matter is, they were not Israel. They were just called because they were descendants of Israel, of a man named Israel. But they did not measure up to the qualities of the father. They did not strive for YAHWEH'S blessing as a true Israelite should do. So the true Israelite is made up of all nationalities who strive for His blessing.

Verse 25:

Therefore thus saith the Lord GOD; Now will I bring again the captivity of Jacob, and have mercy upon the whole house of Israel, and will be jealous for my holy name;

Now in verse twenty-five, I'll read in *The Revised Version*.

Now He restores Jacob and has mercy on the house of Israel. this means that what He planned in the beginning to bless His People Israel is now being fulfilled. But it must be examined with common

Ezekiel Thirty-nine

sense. that it the People were not worthy of it then, He is not going to bring it to the same people. He's not going to bring the same people back and bless those who proved their disobedience. Anyone who proved their obedience is brought back. The Prophets are back and those who were closely linked to the Prophets are back and will be part of the 200,000,000, but the disobedient were not Israel. so the majority of Israel is gathered in these last days and there will be a total of 200,000,000 which will make up Israel in these last days. This will include the Prophets and the resurrected faithful ones who died before Yahshua.

OK in other words, He will not allow again for anyone else to take over His People or to have anything to do with them. This is a word of comfort. This is a blessing. If no one else is going to take over, there isn't going to be any more wickedness, no more devil to harm us anymore. Then we know we are on the'road of blessings. The future is certainly secure for His People.

Verse 26:

After that they have borne their shame, and all their trespasses whereby they have trespassed against me, when they dwelt safely in their land, and none made [them] afraid.

Read in Moffatt's

So Israel will begin to truly experience and live to see the fulfillment and the blessings that YAHWEH has for His People. He gathers them from all the countries of their enemies. In other words, He gathers them from all the nations of this world. He gathers them from all parts of the devil's organization. Now why is this? Well, there are people of goodwill in all the nations of the world. People are all created in Yahweh's image and we find that the ratio will be the same in all nationalities. One-third of the earth's population coming out. We'll find the one-third in red china, one-third in russia, one-third in the united states. There is actually no difference in races where one race is superior to another. There is no such thing. From one blood he made all the races of men (). It'll just turn out that, that percentage, one-third, will prove obedient or will prove to have the right heart condition and two-thirds will be indifferent, so indifferent that YAHWEH cannot use them and they will have to be cut off from the land of the living.

Verse 27:

When I have brought them again from the people, and gathered them out of their enemies' lands, and am sanctified in them in the sight of many nations;

Read from Moffatt's:

In other words, People are going to see by the manner in which YAHWEH deals with Israel, it is always Israel, it is nothing else, always Israel. Now He is going to let the nations know by His dealing with us. People are going to begin to wake up, that certainly these People have something. Where did they get their knowledge? Where did they get strength? Where did they get their spirit? Where did they get their driving force to go preach? How come they know what they are doing? And they understand the Scriptures and they know Yahweh's Plan and they now the calamity that is coming and they want to try to save anybody. Where did they get this? It's only from yahweh's guidance, Yahweh's Spirit. These are a People of understanding and being as their heart is right, this is one reason they get the understanding and because their heart is right and they love their neighbors as theirselves, they don't want to see anyone die. so they all take part in the work and try to enlighten all those that are in ignorance of Yahweh's Purpose and once the ignorant get the understanding, they in turn will teach others. so it will just go from mouth to ear and just continue on and on until Israel gathers Israel, until there is 200,000,000 who come out.

In other words, int he King James it says, "and am sanctified in them in the sight of many nations." or I am vindicated through them in the sight of many nations. In other words, it is Israel who actually vindicates YAHWEH'S Name. This is the glory of Israel. This is the blessed opportunity that Israel

Ezekiel Thirty-nine

has to be the only ones who really stand up for Him for the True God, for the True Creator of the universe. Israel are the only ones that are on His side. He uses no one else. And there are as we had in one of the studies two witnesses, two different groups of Israel. He says these are the only fruit bearing trees, two fruit bearing trees. These are the only ones that bear fruit for Him. These are the only two candlesticks, the only two light bearers. Nobody else, and in the world there are some twelve hundred different religions and He uses none of the devil's religions.

Verse 28:

Then shall they know that I [am] the LORD their God, which caused them to be led into captivity among the heathen: but I have gathered them unto their own land, and have left none of them any more there.

So YAHWEH, as we look back we know what YAHWEH has done. He has allowed everybody to be completely encompassed by the devil and his organization. He allows the people to suffer in this wicked system. This teaches them a lesson that they never forget and never again will they try to go their own way or ignore the Almighty God. They will strictly obey everything that He tells them, because it is for Yahweh's glory and it is for the benefit of mankind. And when mankind is happy, YAHWEH is glorified. Then they can truly say YAHWEH is a loving God, a god who makes provision for His People and this will glorify Him. Different then the devil when he said that you have slain your people and destroyed your cities. The devil is a hateful god. he rules with anger.

He will leave none of them there. He gathers them all. He says not one kernel will be lost (). It's like gathering grain. Not one kernel will be lost means he'll get every one. Now with YAHWEH nothing is impossible and you know when He says He'll do this, He'll do this. Now He says in twenty-nine:

Neither will I hide my face any more from them: for I have poured out my spirit upon the house of Israel, saith the Lord GOD.

OK now the israel of old we find that they disobeyed, He hid His face from them. he turned His back on them and they were completely encompassed by the devil and his organization and destroyed. But the Israel of Promise He says that He will never hide His face from them, meaning that He will always deal with them, always communicate with them. He'll never abandon His People again. This is the Kingdom without end. Where the Heavens will rule the earth and all wickedness will have been destroyed once and for all in both Heaven and earth and YAHWEH brings this all about with the restoration of Israel. And the beginning of the restoration of Israel is the New Jerusalem in the Heavens, which is made up of the 144,000 Kings and Priests and the Earthly Israel which is ruled by the Heavens. Now this is the purpose of the Almighty God. When anybody speaks to you of the restoration of Israel, it's not that israel in palestine. It is the restoration or blessings of people of all nationalities who strive for His blessings. This would make up His Kingdom.

QUESTIONS

Q. About the princes.

A. All the princes of the earth, the chief ones of the earth, the politicians, big businessmen, and the religionist. It's not only the religionists.

Q. Verse 25.

A. Well only one who is jealous, in other words, he will not allow anyone else to interfere or take over. He will watch over what is right, what is rightfully His and not allow anyone else to interfere. He has permitted this once but never again. All He's telling you is He'll never hide his face again and never leave us, always be with us.

Q. Verses 14 and 15

A. The travelers, it's a little misconstrued there. In other words, there will be people traversing the land and collecting the corpses. In other words, walking up and down looking for dead bodies.

The strangers will be doing it yes. But it actually is not referring to the strangers there, it's people who are trespassing and looking for the dead bodies. Although it will be the strangers who's doing it.

Q. Verse 13

A. Well no doubt Israel will begin. Yes. There will be so much to do. We will begin. But in the end actually Israel will be just the rulers. The strangers will be plowing the field and dressing the vineyard and doing all these things. In the beginning you know Israel is going to be doing everything. If Israel doesn't do anything, nothing will get done really. Right after Armageddon, no doubt, there is going to be so much to do, we'll all be working together. But eventually the strangers will be doing the physical work. See the thing of this, there is going to be so much more to do in the beginning than there will be latter on. When you get started you have no houses, you have no cattle, and you have no cultivated fields, or anything, and you've got to get started. Once you have homes you don't have to build them again. That will be less to do.

The main thing is that we get the earth cleaned up. No doubt there will be travelling in cleaning up the earth. We won't cleanse the earth all at once. It can't be done. It'll be done around us and then gradually spread out. But it'll keep us occupied. There is no doubt about it. It'll be a tremendous task because the cities will all be piled to rubble.

Q. Verse 20.

A. Well if anything is going to eat these dead bodies and destroyed implements of war, all He's telling you this will not be literally true. Nobody is going to eat chariots and everything else. What is actually true is that these things will be destroyed. They will be in a position to be consumed. All He's telling you is that they will be dead.

Q. About the destruction of satan and his demons.

A. How are they destroyed? There is only one way that they could possibly be destroyed, that's by the Heavenly forces. First His organization goes down and then he's destroyed. In other words, he'll be cast into a bottomless pit. This is done by a force. he's actually going to be killed. he just doesn't die himself. In other words, he doesn't die of his own, he is a spirit creature. You might say he has immortality. he has to actually be killed. YAHWEH allows his organization to go down first. This is the great disgrace. In other words, He allows their leader to remain there until the end. This proves him a failure. If He does away with the leader first they could come back and say well if we had our leader we wouldn't have failed but the leader's there right to the end.

When the abomination is set up there will be more angels deceived.

Well He says, "Once again I will shake both heaven and earth" (). The shaking of the heavens takes place when the devil has won the whole world. When he has silenced the Lord's People. Then we find that he reaches even to the hosts of heaven and some of the hosts is cast down to the ground meaning that the effects of what the devil has done begins to influence even the heavens and if the organization, the abomination of desolation, was to last lets say fifty or sixty years, the devil has won. he won. There would be no Israel left. There would be no Truth. There would be nothing. But the patience of the saints is this, it's only going to last forty-two months and we know it's only going to last forty-two months and that's a very short period of time.

All right this brings out, "those who dwell in the cities of Israel." Moffatt's brings out, the citizens of Israel shall go out and make fire wood of the weapons, targets, the bows, the arrow, the spears and so forth. In other words, these are the weapons of war that Israel will use. Whatever they leave behind is what he's telling you. Anything they leave behind we will use. They don't necessarily have to be wood, because we know the weapons today are made of steel. It's not only weapons, it'll be all kinds of equipment we can actually use. The army and the navy have some beautiful forklifts and front-end

Ezekiel Thirty-nine

loaders and graters and all kinds of equipment. They have trucks that we can actually use to develop our own organization, our own Kingdom, make roads, cultivate, do everything. Well this means to use them. So make use of them until they are completely consumed is what it means. If they were wood, you would be burning their wood for seven years. You wouldn't have to chop your own or make your own, but actually it's not only going to be wood. It's all the implements they leave for us and we'll use them as though it were wood we would be burning. Most of the implements at that time were made of wood and you could actually get this wood and burn it. There would be so much of it you wouldn't have to go chop any. In plain language whatever they leave behind we will use until we consumed a lot. They'll leave us a lot. I can foresee plainly. We won't have to build cars for years. There will be cars left all over, trucks and everything else. We won't have to build any. We can just use them and then when we run out of them, then we can start making our own. When they really wear out so we can't start them anymore. Of course they'll be a little late models. We'll be driving 1984's in, for maybe thirty years.

For six thousand years the devil has been the god of this world. Things have changed. The Kingdom has started. The Kingdom has actually started according to the fulfillment of prophecy and according to the fulfillment of the count of time, the Chronology. We are now in God's Kingdom. So we have God's Kingdom ruling and the devil's ruling also. The Bible brings out, "Rule now in the midst of thy enemies" (Psalm 110:2). so the Kingdom has actually started. Now the Lord's People who are part of the Kingdom are citizens of the kingdom, and they will do nothing to finance the war effort of the devil's organization. Anything we do we'll devote it toward the Kingdom and if we do finance the devil's organization, then we are not Israel. You don't find any russian's paying for any american weapons to kill russians. You don't find any americans paying russia to kill americans. We will not pay the world any money to produce weapons to kill anyone. We are in the Kingdom now and we belong to a new authority and this is where Israel has the faith enough to know where they are, where they belong and what they must do. And when we begin to obey the Almighty God, and disobey them, then He says, "You shall be hated of all nations" (Matthew 10:22). Chapter Thirteen of Revelation says you will not even be able to buy or sell unless you support this beast, for these are the Lord's People and the separation comes and the intensity of the hatred increases, continues to grow until we actually have to get up. If we went along with them, we would have no enemies. "If you were of the world the world would love it's own, but you're not of the world. I have chosen you out of the world, therefore the world hates you" (John 15:18-20).

Q.

A. Before the Kingdom started, let's say, the people didn't know this. But people of understanding like us know this and we are not without guilt if we support the devil's organization. We will only pay for a service that they render.
